

A
Declaration of Denouncing
 OF
WAR,

VVhich *Sultan-Mahomet*, the present Emperor of the Turks, sent to the Emperor of Germany, Dated *March 25th 1683*, from *Adrianople* just after the Baron *Saphonara* the Emperor's Ambassador had his last Audience of the Prince *Ovier*, wherein the said Ambassador could not comply to the Extravagant Demands of the Turk, which caused the said Grand Seignior to transmit the same to his Imperial Majesty, which is faithfully translated out of *High Dutch*, brought over by the last Forraign Mayle.

Entered according to ORDER,

MAHOMET the fourth Son of Emperors, and of the Famous and Renowned God, Emperor of the *Turks*, King of *Greece*, *Macedonia*, *Moldavia*, *Samaria*, and *Hegba*, King of great and lesser *Aegypt*, King of all the Inhabitants of the Earth, and Prince of the Earthly Paradise, acknowledged Prince and Son of *Mahomet*, preserver of the Cities of *Hungaria*, Possessor of the Sepulchre of your God, Lord of all the Emperors of the World; from the rising of the Sun, to the going down thereof: King of all Kings, Lord of the Tree of Life, Conqueror of the *Melonian* *Hegley*, and the City *Prokenix*, the great Persecutor of the Christians and all wicked people, joy of the flourishing World, Commander and Guardian of your Crucified God, Lord of the multitude of the
 Heathens

Athens: We Command yee to Greet the Emperor *Leopo'd*,
in Case he desire it, and you are a Friend to our Majesty whose
Power and Will we have extended very farr: you have for some
time past acted to our prejudice, and violated our Friendship;
tho' We have not offended you either by War or otherwise,
yet you have taken secret advice with other Kings, and your
Councils how to shake off your Yoak; in which you have pro-
ceeded very indiscreetly; and thereby you have exposed your
people to fear and danger, who have nothing to expect now but
Death, which you have brought upon your selves; for I declare
I will make my self your Master, & pursue you from the East to
the West, and extend my Majesty to the End of the Earth: in the
procedure of all which you shall find my Power exerted to your
extream prejudice, & shall feel the dreadfull effects of my Wrath;
and since you have put your hope in the strength of some Towns
and Castles, I have given Command to overthrow them, and
trample under my Horses feet all that is delightful to you
leaving no roome hereafter to make friendship with me, or suffer
you any fortified place to remain to put your trust in; for I have
resolved forthwith to destroy you and your people, and to dispoyle
you of the *German* Empire after my Will, Leaving in the Empire
a remembrance of my dreadfull Sword, that it may publicly ap-
pear that I will establish my Religion therein, and pursue your Cru-
cified God: whose Wrath I fear not, nor his Coming to defend, or
deliver you out of my hands; but will condemn your Sacred
Priests to the Plough, and suffer the Breasts of your wives to be
suckt by dogs and Beasts; you will do well to forsake your Re-
ligion, otherwise I will give Order to Consume you with Fire: this
is enough to let you understand my Will; if you will be so wise as
to know it.

London Printed for Langly Curtis, 1693.
